

Duel Duo

Bug Report: Duel

Description

'Duel' Button fails to record winning scores accurately

Steps

1. Navigate to game's main page.
2. Click the 'Draw' Button
3. Click the 'Add to Duo' Button on Two Bots
4. Click the 'Duel' Button

Expected Results

1. If you won, the score is updated, adding 1 to Wins || Else if lost, adding 1 to Losses

Actual Results

1. Regardless of who wins, 1 is added to the losses side of the score

Environment

1. Safari 17.1
2. MacOS Sonoma 14.1.1
